

Marina Cinco CURRICULUM VITAE

COGNOME E NOME	Cinco Marina
NASCITA	Pola, 9 Gennaio 1946
FAMIGLIA	Sposata, una figlia
INDIRIZZO	Università di Trieste, Dipartimento di Scienza della Vita, 34127 Trieste
E-MAIL	marina.cinco02@gmail.com
LAUREA IN	Scienze Biologiche
TITOLI	<i>Abilitazione</i> all'esercizio della professione di Biologo <i>Iscrizione</i> all'Ordine dei Biologi <i>Responsabile Leptospira Referente Laboratory</i> , Dipartimento della Vita Consulente OMS in Malattie da Spirochete (borreliosi di Lyme, leptospirosi)
POSIZIONE	Dal novembre 2001, professore ordinario di Microbiologia presso la Facoltà di Farmacia dell'Università di Trieste
CAMPO DI RICERCA	<i>Fattori di Patogenicità nelle spirochete</i> : resistenza all'immunità Innata di <i>B burgdorferi</i> e <i>Leptospire</i> . <i>Valutazione di nuovi tests</i> serologici e PCR nella diagnosi della Borreliosi di Lyme <i>Epidemiologia molecolare di malattie trasmesse da zecche</i> . Mappa territoriale del rischio di trasmissione di Borreliosi di Lyme, Encefalite TBE, Anaplasmosi, Babesiosi e Richeziosi nel Nord Est Italiano. Allestimento del sito
AFFILIAZIONI ED INVITI A CONFERENZE INTERNAZIONALI INVITI	ILS : International Leptospirosis Society Società italiana di Microbiologia (SIM). Member of the International Subcommittee on Leptospira Per due volte "invited speaker " alla Gordon Conference su "Biology of Spirochetes".

Più di 200 pubblicazioni :le più significative recenti

Pubblicazioni
